

Giphy Api User Stories

As a low-income adult, I want a gif finder that has a selectable number of gifs so that I can save data on my wireless plan.

As a Registered Nurse, I want a simple gif finder so that during lunch break I can have a few laughs without getting annoyed by ads or extra content.

As an adult who still lives with his parents, I want a gif finder with a dark theme so that my eyes do not get scorched when I pull it up.
